A compact light commercial steam cleaner

The SV6 steam cleaner is a compact and light weight commercial combination steam and vacuum cleaner. It has 6.5 Bar of steam pressure with an integrated wet and dry vacuum ensuring a professional level clean every time.

Producing steam at over 170 degrees in the boiler, this superheated dry steam has a moisture content of only 5%, allowing the steam to kill >99.999% of bacteria & viral agents.*

This is an entry level commercial steam cleaner that has the power and features required for most small commercial steam cleaning tasks. It's compact size and superior performance make the SV6 a popular choice from our range for domestic and office contract cleaners, hospitality and nursing homes.

The SV6 uses high temperature dry saturated steam to deep clean below the surface and effectively lift built up dirt and grime while sanitising the surface.

The SV6 is designed to clean a huge variety of everyday surfaces including floors, walls, curtains, windows, upholstery, mattresses, kitchens, bathrooms and much more.

Ideal for a range of commercial uses

The SV6 is a compact cleaning machine for a wide range of small commercial uses including hotels, motels, cafes, nursing homes and many more.

Built to last

The SV6 is a high quality commercial steam and vacuum cleaner and is built to last. With quality Italian construction and commercial technology, the SV6 has robust and compact design with superior cleaning performance - powerful steam and vacuum ready to take on the toughest cleaning jobs in your business.

Our available accessories are constructed with a makeup of 50% Fibreglass Reinforced Polymer (FRP). FRP is often used in aerospace, marine and construction industries, ensuring these accessories have high durability.

A tool for every cleaning job

The SV6 is supplied with a range of attachments to cover a variety of cleaning applications. It comes complete with a floor brush, window squeegee and a detail nozzle with a range of brushes. There's also a variety of optional accessories available including a trolley, upholstery tool and a steam mop.
