The best featured light commercial steam cleaner available

The SV8D steam cleaner is the best featured light commercial steam cleaner on the market. It boasts a huge 8 Bar of steam pressure with the ability to inject detergent down the steam line ensuring a professional level clean every time.

Producing steam at over 170 degrees in the boiler, this superheated dry steam has a moisture content of only 5%, allowing the steam to kill >99.999% of bacteria & viral agents.*

This steam cleaner has all the power and features of the largest commercial steam cleaners available. It's compact size and superior performance have made the SV8D the most popular steam vacuum cleaner in our range.

The SV8D uses high temperature dry saturated steam to deep clean below the surface and effectively lift built up dirt and grime while sanitising the surface.

The SV8D is designed to clean a huge variety of everyday surfaces including floors, walls, curtains, windows, upholstery, mattresses, kitchens, bathrooms and much more.

Ideal for a range of commercial uses

The SV8D is the perfect cleaning machine for a wide range of commercial uses including hotels, motels, cafes, restaurants, nursing homes, hospitals, contract cleaners and many more.

Built to last

The SV8D is a high quality commercial steam and vacuum cleaner and is built to last. With quality Italian construction and commercial technology, the SV8D has robust and compact design with superior cleaning performance - powerful steam and vacuum ready to take on the toughest cleaning jobs in your business.

Our available accessories are constructed with a makeup of 50% Fibreglass Reinforced Polymer (FRP). FRP is often used in aerospace, marine and construction industries, ensuring these accessories have high durability.

A tool for every cleaning job

The SV8D is supplied with a range of attachments to cover a huge range of cleaning applications. It comes complete with a floor brush, window squeegee and a detail nozzle with a range of brushes. Comprehensive range of optional accessories available, including trolley, upholstery tool, hose upgrades and more.
