### A highly featured compact commercial steam only cleaner

The SW9 steam cleaner is one of the most powerful compact commercial steam only machines on the market. It boasts a huge 9 Bar of steam pressure with the ability to inject hot water from the boiler, down the steam line, ensuring a hospital approved level clean every time.

This steam cleaner has the power and features of larger commercial steam only cleaners in a compact size. It's superior performance makes the SW9 a popular choice when looking for steam only cleaners to easily and safely sanitise any surface.

The SW9 uses high temperature dry saturated steam produced at over 175 degrees in the boiler. With a moisture content of only 5%, this dry saturated steam kills >99.999% of bacteria & viral agents.\* This allows to deep clean below the surface and effectively dissolving built up bacteria and grime without the use of chemicals, resulting in a sanitised clean.

The SW9 is designed to clean a huge variety of everyday surfaces including floors, walls, windows, curtains, mattresses, kitchens and bathrooms, bbqs, high touch points and much more.

### Ideal for a range of commercial uses

The SW9 is the perfect cleaning machine for a wide range of commercial applications in hotels, motels, cafes, restaurants, nursing homes, hospitals, medical practitioners, gyms, salons, contract cleaning and many more.

### Built to last

The SW9 is a high quality commercial steam cleaner and is built to last. With quality Italian construction and commercial technology, the SW9 has robust and compact design with superior cleaning performance - powerful steam ready to take on the toughest cleaning jobs in your business.

Our available accessories are constructed with 50% Fibreglass Reinforced Polymer (FRP). FRP is often used in aerospace, marine & construction industries, ensuring high durability.

### A tool for every cleaning job

The SW9 is supplied with a comprehensive range of attachments to cover a variety of cleaning applications. It comes complete with a floor brush, window squeegee and a detail nozzle and a selection of brushes. There's also a variety of optional accessories including trolley, steam mop and more.
